

# LETTERS TO SANTA:

Holiday elves have installed a special North Pole Mailbox at the Marlboro Recreation Center, where children can drop off their letters to Santa starting December 2nd! Santa will respond to all letters received by **December 17th**.

The North Pole Mailbox will be located outside the front door of the Recreation Center at 1996 Recreation Way.

## Guidelines

Letters should include the child's first and last name, age, mailing address, and holiday wish list. Santa especially enjoys letters with hand-drawn holiday pictures!

Parents are encouraged to glance over letters before delivering them to the mailbox.

Place your letter and **self-addressed stamped envelope** inside The North Pole Mailbox so Santa can write back!
